

Calvert Library Art Display Policy

The purpose of Art in the Stacks is to showcase artists of Southern Maryland and/or artwork with Southern Maryland themes.

An Art Coordinator is designated by each Calvert Library location to coordinate displays.

1. Subject matter and content of all artwork on display must be appropriate for family viewing.
2. Final acceptance of art is at the discretion of the Art Coordinator and the Branch Manager.
3. Installation and dismantling is the responsibility of the artist and must be scheduled with the Art Coordinator.
4. Responsibility: The Library is not responsible for any damage to or theft of the artwork. The Library carries no insurance for exhibited artwork, nor does it hire security for its protection.
5. Identification: Artwork may be identified by a small sign (no larger than 2" x 3 ½") on the lower right corner of the artwork. The sign may include the name of artist, the title of work, contact information, and price if the piece is for sale. Library staff will not act as sales agents.
6. Artists will be required to abide by the Art Display guidelines and sign a Calvert Library Art Display Memorandum of Understanding.

Date

Approved, Board of Library Trustees, April 12, 2016.
